

§ 930.30

policies of the program. A State agency, however, must base its objection on enforceable policies.

(i) *Executive Office of the President.* The term “Executive Office of the President” means the office, council, board, or other entity within the Executive Office of the President which shall participate with the Secretary in seeking to mediate serious disagreements which may arise between a Federal agency and a coastal State.

(j) *Federal agency.* The term “Federal agency” means any department, agency, board, commission, council, independent office or similar entity within the executive branch of the federal government, or any wholly owned federal government corporation.

(k) *Management program.* The term “management program” has the same definition as provided in section 304(12) of the Act, except that for the purposes of this part the term is limited to those management programs adopted by a coastal State in accordance with the provisions of section 306 of the Act, and approved by the Assistant Administrator.

(l) *OCRM.* The term “OCRM” means the Office of Ocean and Coastal Resource Management, National Ocean Service, National Oceanic and Atmospheric Administration (“NOAA”), U.S. Department of Commerce.

(m) *Secretary.* The term “Secretary” means the Secretary of Commerce and/or designee.

(n) *Section.* The term “Section” means a section of the Coastal Zone Management Act of 1972, as amended.

(o) *State agency.* The term “State agency” means the agency of the State government designated pursuant to section 306(d)(6) of the Act to receive and administer grants for an approved management program, or a single designee State agency appointed by the 306(d)(6) State agency.

Subpart C—Consistency for Federal Agency Activities

§ 930.30 Objectives.

The provisions of this subpart are intended to assure that all Federal agency activities including development projects affecting any coastal use or resource will be undertaken in a manner

15 CFR Ch. IX (1–1–02 Edition)

consistent to the maximum extent practicable with the enforceable policies of approved management programs. The provisions of subpart I of this part are intended to supplement the provisions of this subpart for Federal agency activities having interstate coastal effects.

§ 930.31 Federal agency activity.

(a) The term “Federal agency activity” means any functions performed by or on behalf of a Federal agency in the exercise of its statutory responsibilities. This encompasses a wide range of Federal agency activities which initiate an event or series of events where coastal effects are reasonably foreseeable, *e.g.*, rulemaking, planning, physical alteration, exclusion of uses. The term “Federal agency activity” does not include the issuance of a federal license or permit to an applicant or person (*see* subparts D and E of this part) or the granting of federal assistance to an applicant agency (*see* subpart F of this part).

(b) The term federal “development project” means a Federal agency activity involving the planning, construction, modification, or removal of public works, facilities, or other structures, and includes the acquisition, use, or disposal of any coastal use or resource.

(c) The Federal agency activity category is a residual category for federal actions that are not covered under subparts D, E, or F of this part.

(d) A general permit program proposed by a Federal agency is subject to this subpart if the general permit program does not involve case-by-case approval by the Federal agency, unless a Federal agency chooses to subject its general permit program to consistency review under subpart D of this part, by providing the State agency with a consistency certification. When proposing a general permit program, a Federal agency shall provide a consistency determination to the relevant management programs and request that the State agency(ies) provide the Federal agency with conditions that would permit the State agency to concur with the Federal agency’s consistency determination. State concurrence shall remove the need for the State agency to review future case-by-case uses of the
